

# Tucson Asphalt Contractors, Inc Vision Statement

*What we **aspire** to be in 3 years*

**Tucson Asphalt Contractors is the most recognized, recommended, and professionally managed locally owned asphalt company in Southern Arizona.**

**We provide “**Green Asphalt™**” to discerning governments, commercial entities, general contractors, developers, HOA’s and homeowners.**

**Through our focus on teamwork and the highest standards of quality, we consistently exceed customer expectations and are recognized as one of the best places to work in the construction industry.**

**As a result, our clients send us referrals, our employees receive exceptional pay and benefits, and we realize sustainable success.**
